Late Checkout & Additional Breakfast Guests

Checkout

All units have a 9.30am checkout if another wedding/event is taking place on the same day as the checkout day and a 10am check out if there is no wedding/event

Breakfast will be served between 8am - 9am with a 9.30am checkout and 8.30am - 9.30am with a 10am checkout

If there is no wedding/event following your wedding day, breakfast will be served between 8.30am - 9.30am followed by a checkout at 10am

On weekdays only, there is the option to extend the checkout from 10am to anytime but no later than 4pm. The fee is £100 per hour inc VAT i.e. if you would like to extend the checkout to 4pm the cost is £600 inc VAT or if you would like to extend the check out to 1pm the cost will be £300 inc VAT

For Saturday weddings where there is no Sunday event, we can allow a later checkout for the Farmhouse only but must make it clear that there will be Viewings in the Barn from 9am and so potentially lots of groups on site from that time. Obviously, they would not have access to the Farmhouse. ALL OTHER UNITS WOULD HAVE TO CHECK OUT BY 10am.

Additional Breakfast Guests

If you would like any or all guests, who are staying onsite in other units, to join you for breakfast in The Farmhouse there is no additional charge

If you would like guests who have not stayed onsite to join you for breakfast in The Farmhouse, the fee is £10 per guest for up to 28 guests. If the total guest numbers exceed that and we need another member of staff, the fee is £25 inc VAT per person and £12.50 for children under 10 years. This is payable to Gate Street Farm Ltd before the stay

Please note, the dining room in The Farmhouse can seat no more than 18 diners at the same time, although in the summer months seating is available outside by the pool. Guests do tend to arrive for breakfast and eat at different times so there is usually a shift of seats between guests to eat during the hour breakfast is served
