

## **Dogs in the Accommodation**

We are a venue of dog lovers and totally understand if you do not want to leave your dog with someone else or can't as everyone you know is attending the wedding and you do not want to send them to a kennel! The problem we have is a lot of people do suffer from an allergy to animals and so we cannot allow dogs to stay in our accommodation where it could affect a future guest.

To authorise a dog onsite and not affect our future guests we can allow dogs to stay providing the following is agreed:

- Prior permission must be asked before dogs are allowed to stay. Details of the type of dog will be asked for
- A fee of £15.00 inc VAT must be paid prior to the stay
- Dogs can stay in The Stable flat but are not allowed in the carpeted bedrooms or on the furniture
- Dogs can stay in The Farmhouse but are only allowed in the entrance area which has a tiled floor. The dog must be in a cage and positioned under the stairs as this is a fire exit. Please also be aware our breakfast cook arrives about 6am and will access this area. Dogs that may be spooked by this may not be suitable for this unit.
- Dogs can stay in The Hayloft but are only allowed in the entrance area which has a tiled floor. The dog must be in a cage
- Dogs must be on a lead at all times when outside of the accommodation and if taken for a walk only public footpaths are accessible
- Any mess must be cleared immediately
- A security deposit of £200 must be given in a credit card from before the stay to cover any accidents and/or additional cleaning
- If more than £200 is required to cover accident and/or additional cleaning an invoice will be submitted to be paid upon receipt
