

ASIAN WEDDING INFORMATION SHEET

Gate Street Barn does not have an Asian caterer on our approved list, although most of the approved caterers would be delighted to create Asian food.

If you would like Authentic Asian food, we would highly recommend using Rajan Caterers who catered for a wedding in July 2016

A surcharge of £1200 inclusive of VAT is usually required to use non-approved caterers at Gate Street Barn, however as we have previously worked with Rajan Caterers, we would refund 50% of the surcharge providing all is well, after they have catered here
