

BOOKING ON-SITE ACCOMMODATION

- The Hayloft, Stable Flat, Shepherd's Hut and The Farm House units are all automatically reserved for you until 2 months before your wedding date
- To book and secure any or all the units you must return the completed Booking Form to the office and pay the relevant deposit
- Up until 2 months before your wedding if one of your guests requested to book a unit we will contact you and ask if they can
- After that period, and if you have not secured any or all the units, we will **not** contact you but let your guest book whatever unit is available.
- The White House is not, and has never been, part of the automatic reservation system but is on a first come, first served basis to anyone i.e. you, your guests or even someone not involved with your wedding
- The Hayloft is also available to persons unconnected with your wedding if we have not heard from you, **BUT** the Stable Flat, The Shepherd's Hut and The Farm House are only available to you and your guests and would therefore be empty if there is no booking

The reason why The Hayloft & The White House are available to someone not involved with your wedding is they are quite separate from the venue so that people can come and go without entering the vicinity of the wedding

**Please be advised, although the units are on hold for you the rates are not and may increase at any time. If a deposit is paid to secure a unit, the price is confirmed at the time of booking
