Additional Garden Furniture

The Barn has a number of garden chairs and benches which has proved to be sufficient for the maximum number of guests we permit. Altogether we can seat 64 guests outside!

However, if additional furniture is required please ensure the following:

- The office is informed of the details no later than 2 months before the event date
- Delivery MUST be arranged for the day of the event only and collected the same day unless permitted by Jane Hutley or Lisa Gough
- If permission is granted to collected the following day, they must NOT be left on the grass areas overnight and the collection time will be no later than 9.30am if there is another event taking place
- If you are hiring, we prefer you use the approved hire company, details are set out below. This will have the added advantage of saving you an extra delivery charge

Please note our oak chairs are not for outside use. If a ceremony is planned for outside, or a Civil Marriage in The Pheasantry has guests seated outside the room, chairs must be hired
