

BRIDE'S ROOM

The Bride's Room is available for your use on the day of your wedding to get ready in, and/or simply to refresh yourself during the day.

We ask for a £250 security deposit, in either cheque form, made payable to Gate Street Farm Ltd, or a card deposit, however we do not bank a cheque or process a card deposit, providing there is no damage to the room, its furnishings and no additional cleaning is required. There is a security code lock on the door, so access will only be available to you and those to whom you give the code. Please note we are not responsible for any items left in this room throughout The Hire Period.

The deposit will be shredded the day after your wedding providing all is well

Additional Notes & Conditions;

- **ETA** – We need to know your estimated arrival time so that we can make sure the room is ready, particularly if there is a function the day before
- **Towels** - We do **NOT** provide bathroom towels so please supply these if you intend to shower or bath
- **Refreshments** – If you are not self-supplying, refreshments can be ordered through your caterer, which we highly recommend. Remember to eat the morning of your wedding but please be careful with food and drink - you have a £250 deposit!
- **Additional Space** - The room may be too small if you have a lot of attendants and/or you require an area for refreshments. If you need more space and would like to use the Registrar's Meeting Room, we will authorise this on request. Please note this room **MUST** be left as found no later than **1 hour** before the ceremony. Cost of any additional cleaning/damage will be taken from your bride's room deposit
- **Parking** - If it is a Civil Ceremony and you are not having a 'special' car which you want to be photographed with, cars relating to the bridal party may park in the area outside the room but must be removed before the end of the hire period. Hair & make-up artists may find it easier to park here but must be gone before the ceremony starts
- **Babies/Children** - Are not permitted in the room unless accompanied by a designated responsible adult, such as the parents or a sitter, but preferably a qualified nanny, at **all** times, due to fire regulations.
- **Check Out** - Please note you must remove all items in the room at the end of the hire period. If you are not taking the items away and plan to collect them with everything the next day you can leave them neatly in the room, but you must inform the Bar Manager, so the bar staff can move them easily to the kitchen for the next day collection. Please note if bar staff are working beyond 1am to clear the room you may be charged for additional staff costs
